**About Tualatin's Community Park:** The park is 29.11 acres, with three sports fields, tennis and basketball courts, a great playground, an award-winning skate park for skate boarding and in-line skating, a dog park and five picnic shelters. A boat ramp allows access to the Tualatin River. Check out their website at <https://www.tualatinoregon.gov/recreation/tualatin-community-park>.

#### What to bring

- **Comfy chairs:** There are picnic tables, but you are welcome to bring more comfortable things to sit on.
- **Sun protection:** Bring your hat, sunglasses and sunscreen!

#### How to get there

From I-5 take Exit 289 Nyberg St./Tualatin Sherwood. From the north, turn right onto Nyberg Rd/Tualatin Sherwood Rd (from the south, turn left). ### Willamette Valley Pie Company tour Thursday, Aug. 24, 10:30 a.m.

**Willamette Valley Pie Co.**  
1651 Eska Way  
Silverton, OR 97381

**Preregister by Aug. 15:**  
**Contact Linda Peerenboom at**  
**503-810-1914 or**

[linda.peerenboom@gmail.com](mailto:linda.peerenboom@gmail.com).

The tour is **FREE** and is limited to 25 people, so pre-register now! If more people register, we may be able to schedule another tour.

Tours take about 30 to 45 minutes. It's a walking tour, but the entire facility is accessible for wheelchairs and walkers.

One of the great things about this tour is that they will be making products during the tour. You will get to see them as they are making pies, moving pallets and doing what they do! But that comes with safety and cleanliness concerns. They love showing off who they are and what they do, but they take their food defense and safety very seriously. Therefore, it is mandatory that the following rules are respected and followed:

- No pictures are allowed inside the facility except for designated areas.

- Wear the complimentary hair and beard nets that will be given out (they're quite fashionable) throughout the tour.
- Tuck all necklaces and earrings into clothing and/or under hair nets.
- Remove all exposed jewelry before entering the warehouse.
- Leave all bags and purses inside your vehicles.
- Don't wear open-toed or open-heeled shoes. They are prohibited inside the production facility.

*Note: If you use Google maps or your GPS, be sure you put in the Silverton address at 1651 Eska Way where the production plant and tour is located. Do not use the Salem address at 2994 NE 82nd Avenue. That is the location of the store and restaurant. However, after the tour you are welcome to go to the store and the restaurant!*

Check out their website at [www.wvpie.com](http://www.wvpie.com).

### FREE! PGE box seats at Providence Park

Sometimes **free** PGE Box seats for games at Providence Park are available to retirees! To put your name on this list for available tickets, contact **Norby Chartrey** at [nccboats@aol.com](mailto:nccboats@aol.com) or **503-357-2614** (or **503-853-4783**).

### The Spring Luncheon was a success!

250 retirees and guests attended the Spring Luncheon on May 19. It was wonderful to see lots of familiar faces — and several new ones! Many thanks to **Russ Bailey, Phyllis and Ed Miska** and the rest of their hard working luncheon committee and to the Monarch Hotel for welcoming us all these years.

Mark your calendars now for the **Holiday Luncheon on Dec. 7**, also at the **Monarch Hotel** this year (not the Airport Holiday Inn).

### World of Speed Museum toured by speed-loving retirees!

In March, 17 PGE retirees had a fantastic time touring the World of Speed Museum in Wilsonville. The museum has Indy cars, stock cars, drag cars, home-built cars, older racing cars, motor cycles, a hydro plane and lots of manikins dressed in different eras of racing. It also tells the history of the changes in size, design, weight, safety, and imagination that has changed racing and racing vehicles from the late 1800s to the present.

**Walt Allais**, our own Speed Ball, flew around the 2.5-mile track in a stock car simulator and finally broke the one-minute mark! Go Walt!

The next **board meeting** is  
**Monday, Aug. 14, 9:30 a.m.**  
 at the  
 Oregon City Service Center  
 Conference Room  
 209 Warner Milne Rd  
 Oregon City OR 97045

All retirees, spouses and significant others are welcome to attend.

PGE is sponsoring **Play it Safe Month** at Portland Children’s Museum in July and hosting a photo experience! There will be a PGE backdrop, PGE personal protective gear and tool belts for kids to try on and have their picture taken. It’s a great way for kids to play dress up and learn about the kind of work that PGE does.

### PGE’s Summer of Safety Booth

Volunteer on your own, or bring a friend or family members with you to help at a PGE Summer of Safety booth at any of the following events. Show families how to play it safe around electricity through our popular “Hazard Hamlet,” “Spin and Win” game, crayon rubbing boards, and other fun and interactive activities. No experience necessary! PGE employees will show you everything you need to know to engage kids in electrical safety education and have a great time doing it!

## Note from the editor

Another year half over! I had a great and warm time in Arizona and thought of you folks back home. I missed Oregon but didn't miss the cold, wet weather. A big **Thank You** to Bonnie Oshiro for the use of her condo. I thought I was going to have all this free time, but every minute was packed full. Those folks know how to enjoy life. Between the time I left home on Dec. 28 and returned on April 29, I put 7,127 miles on my car! A couple of trips to visit my grandchildren and great-grandchildren, went to a baby shower for my second granddaughter got to see my newest great-granddaughter on my way home.

When I drove to Yuma to visit my friend JoAnn, I surprised myself by buying a one-bedroom, single wide mobile home! I got a wonderful deal so now I

can fulfill my late husband and my dream of becoming "Snowbirds." I also have a hide-a-bed for special friends and relatives who would like to visit.

Also, I want to extend a personal invitation to all of the new retirees to come and join us. We are a busy group as you can see from our list of trips planned. Dad use to tell me, "Sis, stay busy and you'll stay young." It worked for him and his family living alone until their deaths in their middle and late 90s.

Have a wonderful summer.

Respectfully,  
~~Barb Bergmans, Editor and Vice President
